

SECOND JUDICIAL DISTRICT
COUNTY OF BERNALILLO
STATE OF NEW MEXICO

No. MISC. ML-90-00021

IN THE MATTER OF BRIAN WILLETT

AFFIDAVIT IN SUPPORT OF MOTION FOR RECONSIDERATION

COMES NOW Brian Willett, and in support of that pending Motion for Reconsideration herein, submits the following Affidavit of Jack Bowers, he stating that:

1) I am Jack Bowers, State of New Mexico native and resident, having attended Del Norte High School in Albuquerque with Brian Willett;

2) I attended with Brian Willett that hearing in Metropolitan Court held April 6, 1990, and personally observed the influence and coercion on Judge Marie Baca by two (2) uniformed APD officers just prior to her denying that Motion;

3) I also observed just outside said courtroom the same two (2) APD officers eavesdropping on mine and Brian's attorney-client conversation regarding the details of that matter which Brian wished me to testify about as example of inappropriate law enforcement activity;

4) Some details of this matter are that:

(A) I was with Neville Carter on October 28, 1972, the day she was murdered, in fact we had recently married;

(B) Neville and I on that day were traveling in a Volkswagen, from Aztec, N.M. towards Durango, Colorado, and after meeting the 'snitch' with the passport we proceeded on until we got to a point south of Bonadad, Colorado;

(C) At said point there were a couple of trucks parked off to the side of the highway and as we approached them, with Neville driving, it appeared the individuals standing around the trucks were hunters, in fact Neville remarked "Look at the deer hunters, Dear.";

(D) Just after this remark as we pulled alongside these trucks and individuals she started screaming when they started shooting at us, just before she was blown into eternity by their gunfire;

(E) In spite of the fact I was seriously wounded by this gunfire I was able to escape this "drygulch" ambush that was waiting in the wings;

(F) At the Coroner's Inquest held in Durango, Colorado, I was advised by my attorney to take the 5th since I had been charged with her murder, and I did so;

(G) Two (2) APD officers testified at this Inquest, who were at the aforementioned incident scene, first James Boman and then Ed Tunuz, and they both said Neville had tried to run a roadblock, when in fact there was no roadblock or warning of any kind;

(H) I believe said "drygulch" ambush was an attempt to eliminate me after I had refused to 'mule' (smuggle) 'Mexican mud' (brown heroin) for James Boman subsequent to having seen him and asked about him at my 'pot' (marijuana) connection's house in Juarez;

(I) I continue to fear for my life as a result of this situation.

FURTHER, THIS Affiant sayeth not hereon.
